To Whom It May Concern:

Dear Sirs / Mesdames,

**GEMS 2.0 Graduate Employment/Entrepreneurship Programme**

We are pleased to introduce to you our company, People Systems Consultancy Sdn Bhd, which is an established training and consultancy firm that focuses on:

- **Entrepreneurship** Training,
- **Employability** Preparation, and
- **Job Placement**

We possess a strong presence among the key industry players and we help match industry requirements with manpower supply.

We have been appointed by GEMS Malaysia Sdn Bhd (“GMSB”), a subsidiary of Talent Corporation Malaysia Berhad (TalentCorp)\(^1\) to undertake the role of implementing the Graduate Employability Management Scheme Programme for SME’s Focused/Entrepreneurial Track (“GEMS 2.0 Programme”) as the Programme Implementation Owner.

GMSB was established for the sole purpose of promoting, implementing and managing the human capital building programme known as *Graduate Employability Management Scheme (GEMS) Programme*.

GEMS 2.0 Programme, GMSB’s latest initiative, is sector-focused and demand-driven and equips unemployed graduates with the

necessary knowledge, skills and attitude aimed at enhancing their employability in the market or launching a successful business.

We are entrusted by GMSB to implement GEMS 2.0 Programme by carrying out the tasks to train and mentor selected graduates with the aim that the selected graduates will either (i) secure suitable employment or (ii) be able to initiate viable businesses by the end of the programme.

As part of our selection process for enrolment into the GEMS 2.0 Programme, we are now gathering all information on the potential candidates.

We believe we can bring great value to the parties of both the employer and the graduate workforce. We would love an opportunity to meet you to discuss this further.

Thank you.

Yours sincerely,

Rohan Marshall
Managing Director
