Guidelines to fill in the information on the Book Voucher properly:

1) Please read carefully what information needed before you fill in the book voucher.

2) Write your **name, I/C number, and telephone number** on the book vouchers in the presence of the faculty staff (as per Appendix 1)

3) If you have any mistake on writing the information on the voucher, you have to cancel that information and write back the correct information accordingly and get the stamping from your faculty office. However, under such circumstance, it is depends to the bookstore management whether they want to accept your voucher or not.
