ATTENTION ALL BACHELOR DEGREE STUDENTS WHO JOINED UTAR FULL-TIME/PART-TIME DEGREE PROGRAMMES BEFORE OCTOBER 2013 INTAKE

RE: MQA COURSE EXEMPTION APPLICATION

Completion of the following MQA compulsory courses (MPW units) is one of the graduation requirements for all bachelor degree students (Malaysians only) who joined UTAR before October 2013 Intake (MPU courses were introduced to replace MQA compulsory courses from October 2013 Intake onwards):

(i) MPW2113 Bahasa Kebangsaan (A)
(ii) MPW2133 Pengajian Malaysia
(iii) MPW2143 Pengajian Islam (For Muslims only)
(iv) MPW2153 Pendidikan Moral (For Non-Muslims only)

However, exemption for the above MQA compulsory courses is possible under the following circumstances:

(a) Students with a Credit in SPM/SPM July paper Bahasa Melayu or Principal Pass in STPM Bahasa Melayu may be exempted from MPW2113 Bahasa Kebangsaan (A) with no credit earned.

(b) Students who have undertaken and completed the MQA compulsory courses at their previous institutions (based on recognized qualification accredited by MQA) may be granted exemption. The exemption evaluation/assessment would be carried out upon receiving the MQA course exemption application from the students.

In view of the above, if you have not applied for exemption for the above MQA compulsory courses (excluding students who have submitted SPM result with a credit in Bahasa Melayu of which the exemption for MPW2113 Bahasa Kebangsaan (A) have been granted automatically upon admission to UTAR), kindly submit your “MQA Unit Exemption Application Form (FM-DACE-026)” (Please see attachment) to the Faculty General Office (FGO) before 22ND APRIL 2016.

ANY SUBMISSION OF MQA COURSE EXEMPTION APPLICATION AFTER THE STIPULATED DEADLINE WILL NOT BE ENTERTAINED.

Please note that the MQA Course Exemption Application Form would no longer be in use after January 2016 Trimester. Therefore, any exemption application for MQA compulsory courses (MPW units) made after January 2016 Trimester would not be accepted.

For further enquiry, please contact your FGO (Part-time students may seek advice from the Centre for Extension Education (CEE)).

Thank you.

Division of Admissions and Credit Evaluation (DACE)
