RE: ONLINE ACADEMIC ADVISORY SYSTEM (OCTOBER 2015 TRIMESTER)

Please be informed that the **ONLINE ACADEMIC ADVISORY SYSTEM** is now open to all students. Name of Academic Advisor can be viewed from Student Intranet starting from Week 2.

Academic Advisors provide information/advice on academic programmes, degree requirements, career options, course selection, secondary fields of study and extracurricular activities.

Students are required to meet their assigned academic advisors **at least once a Trimester**. Please take note that it is the responsibility of the students to make arrangement(s) to meet with their Academic Advisor.

However, students under industrial training **are exempted** to meet their Academic Advisor.

**IMPORTANT:**
Students who do not meet with their Academic Advisor at least once a trimester will **NOT** be able to register subject(s) during the pre-registration for next trimester.

Thank you.
