PMW Industries Sdn. Bhd.,
Is a privately-owned concrete products manufacturer located in Ipoh, Perak Malaysia founded in 1986. PMW specializes in manufacturing of Pre-Stressed Spun Concrete Pole since its establishment. PMW is providing full service line from fabrication of machine and equipment to products design and supply. More than 900,000 quality concrete poles had been manufactured and delivered.

Under its "Education" pillar, PMW Industries dedicates itself to promoting the human quest for learning, knowledge, meaning, goodwill and understanding. The foundation endeavors to offer wisdom, expertise and assistance at all levels of education, where these can promote and advance what people believe they can achieve, especially the underprivileged. PMW supports initiatives that reduce gaps in access to quality education between urban and rural societies, and those that improve access to basic education for the marginalized.
