Memory Competition 2013

Random Words:

**Event**: All the contestants will be given 6 A4 sheets (Question paper). Each sheet contains 60 random words serially numbered. In each sheet the words are presented in 3 columns with 20 words in each column. The participants are required to commit to memory as many words as they can in the allotted time.

**Timing**: This is a 30 Minute event.

Time allotted for memorization is 10 minutes.

Break time allotted before attempting to answer is 5 minutes.

Time allotted for written recall is 15 minutes.

**Scoring**: The order of the words is very important. Every word written in the correct place will be allotted 1 point. Every word written in the correct place, but with a spelling error will be given half a point. If there are more than 8 errors in a column, no marks will be allotted for that column. The scoring will stop at the first instance of 8 consecutive spaces left blank by you. **Note**: Blank spaces left between the words are considered as error for scoring purpose.

Random Numbers:

**Event**: All the contestants will be given 2 A4 sheets paper printed with 400 random single digits on each sheet. There will be 20 digits in each row and there will be 20 such rows. The contestants are required to memorize as many numbers as they can.

**Timing**: This is a 30 minute event.

Time allotted for memorization is 10 minutes.

Break time allotted before attempting to answer is 5 minutes.

Time allotted for written recall is 15 minutes.

**Scoring**: Every digit correctly recalled in position will be awarded 1 point. If there are more than 4 errors in a line, no points will be allotted for that line. **Note**: Blank spaces left between the numbers are considered as error for scoring purpose.
**Dates & Events**

**Event:** All the contestants will be given 2 A4 sheet with 40 fictional dates and events in each sheet. They need to remember as many dates and events as possible.

**Timing:** This is a 30 Minute event.

Time allotted for memorization is 10 minutes.

Break time allotted before attempting to answer is 5 minutes.

Time allotted for written recall is 15 minutes.

**Scoring:** Every correct answer will be awarded 1 point.

**Random Letters of the Alphabet**

**Event:** The contestants will be given 2 A4 sheets containing letters of the alphabet presented in random order. There will be 8 rows of 13 letters each.

**Timing:** This is a 30 minute event.

Time allotted for memorization is 10 minutes.

Break time allotted before attempting to answer is 5 minutes.

Time allotted for written recall is 15 minutes.

**Scoring:** For recalling every letter in its correct position the contestant is awarded with 1 point. Letters in wrong position will not be awarded any points. If there are more than 2 errors per row, no points will be awarded for that row. **Note:** Blank spaces left between the letters are considered as error for scoring purpose.
