  • Mark The Date
IIUM Virtual Career Fair aims to connect you with industry players mainly from the Engineering and Financial sector. Some of the benefits include:

- **It’s free** – registration is free for all students and graduates
- **It’s flexible** – you may apply for internships, management trainee, graduate positions and entry level positions
- **It’s fast** – apply for a position and arrange for an interview within seconds
- **It’s simple and easy to use** – Registration takes less than 10 minutes, after which you can apply for as many jobs as you want, as often as you want during the virtual career fair event
- **Time** – No time barrier and you can get in touch with anyone and at any time.
- **Geographical** – No geographical barriers and anyone can access from various locations around the world
