## Welcome message

In line with the aspiration set on UTAR NPFASS 2013, it is once again our great pleasure to invite you to our 2<sup>nd</sup> seminar, UTAR National Postgraduate Fundamental and Applied Sciences Seminar 2014 (UTAR NPFASS 2014) taking place in UTAR Perak campus, Kampar from 14th – 15th June 2014. We hope to gather highly motivated postgraduate students from Malaysia to present their works that will provide new insights, latest breakthroughs, critical aspects, and promising outlooks in the research of fundamental and applied sciences. This seminar will be an effective opportunity for interactions and networking among researchers from all over Malaysia in exchanging thoughts and ideas. The organizing committee would like to welcome you to be part of this event and we look forward to seeing you.

## Who Should Attend

- ✓ Academicians
- ✓ Researchers from industry
- ✓ Students (undergraduate and postgraduates)
- ✓ General public or any interested

**Presenters** must be **postgraduate** students who are currently pursuing research study in public or private institutes of higher learning and research institutes.

## Registration

Online registration is available at  
<https://sites.google.com/site/utarnpfass>  
2014

Registration fee includes admission to scientific sessions, conference bag, abstract and programme book, meals and return transport between UTAR PJ & Perak campuses if requested.

Kindly note that all registrations will be confirmed only upon receiving registration fee.

**31<sup>st</sup> March 2014**

**Notification of acceptance of presentation:**

**1<sup>st</sup> May 2014**

**Deadline for registration with payment:**

**31<sup>st</sup> May 2014**

**For more information, please contact :**

**Secretariat NPFASS 2014**

**utarnpfass2014@gmail.com**

**Tel: 05-4688888 Ext: 4663/4514**

## Scientific Programme & Call for Papers

UTAR NPFASS 2014 welcomes the submission of original contributions for oral and poster presentations on the following fundamental and applied sciences:

*All biotechnology topics*

*All biomedical and health science-related topics*

*All biochemistry topics*

*All chemistry topics*

## Abstract Submission & Format

All abstracts must be written in British English using Microsoft Office Word (2007/2010) in one paragraph not exceeding 300 words. Detailed abstract format and submission form are available online at  
<http://sites.google.com/sites/utarnpfass2014>

Abstract will be reviewed by the scientific committee based on originality/novelty, significance of research findings/ideas and relevance to the main theme. Participants should indicate their preference of presentation type (oral or poster).
